About The Programme

DSF's graduate programme aims to provide **financial assistance** to students from **underserved communities** who are academically inclined. This programme enables them to pursue their higher education in a stream of their choice. Students are given the opportunity to strengthen their **Functional, Academic and Technical competencies** through **workshops and trainings**.

About Dream School Foundation (DSF)

DSF is an Indian non-profit organization working to ensure equity and quality in education for all students. We are committed to assisting students from schools to career pathways.
